

GCCLC, Computer Basics 1 - Table of Contents

Welcome to Computer Basics 1	1	Exercise 2-9: Create a Folder on the desktop	33
Discussion about your handouts.....	1	Logoff.....	33
The importance of timing yourself	2	Homework for Lesson Two	34
Lesson One	3	Lesson Three.....	35
Your Classroom	3	This lesson:.....	35
Computer parts	3	Review	35
Using the Mouse.....	4	Introduction to word processing.....	35
Holding and moving the mouse	5	Exercise 3-1: Create a Folder on the desktop	35
Exercise 1-1: Logon.....	6	Exercise 3-2: Open Microsoft WordPad....	36
Review the computer screen	7	Change Default Word wrap Settings.....	36
Exercise 1-2: Double-click – mouse exercises.....	7	Exercise 3-3: Select text	37
Common Problems using a mouse:	8	Font.....	37
Exercise 1-3: Start a program - Using the mouse	9	Exercise 3-4: Change font and size.....	37
Exercise 1-4: Start a Game Program.....	10	More formatting options	38
Exercise 1-5: Parts of a Microsoft Window (Solitaire)	12	Exercise 3-5: Copy – Paste	38
Exercise 1-6: Move and Resize a Window (Solitaire)	13	Exercise 3-6: Cut – Paste	38
Exercise 1-7: Using the Solitaire window ...	14	Exercise 3-7: Word Wrap.....	38
Exercise 1-8: Open My Computer	16	Exercise 3-8: Open a file using WordPad ..	39
Exercise 1-9: Using the CD Drive	17	Exercise 3-9: Save the Document to desktop	40
Explanations of window parts (For review purposes).....	18	Exercise 3-10: Formatting.....	40
Summary – Parts of a window	18	Exercise 3-11: Text Color	41
Homework for Lesson One	20	Exercise 3-12: Font Style.....	41
Mouse Exercises:.....	20	Exercise 3-13: Alignment.....	41
Playing Solitaire	21	Exercise 3-14: Copy and Paste	41
Learning more – Parts of a Window	21	Exercise 3-15: Cut and Paste	41
Lesson Two	23	Exercise 3-16: Save the Document	42
Logon.....	23	Logoff.....	42
Review Lesson One.....	23	Homework for Lesson Three.....	42
Exercise 2-1: Mouse practice	23	Lesson Four.....	43
Menu Structures	24	Review, discuss, interact	43
Exercise 2-2: Menu structures	24	Logon to your computer	44
Keyboard	26	Exercise 4-1: – putting words in the correct order - Final Exercise.....	44
Exercise 2-3: Keyboard	26	Exercise 4-2 Drag and drop whole sentences	45
Keyboard Descriptions	27	Exercise 4-3 Highlight, then Drag and drop numbers	46
Tips for using your keyboard safely	29	Exercise 4-4 Extra Credit - Create folders and put files in them.....	47
Exercise 2-4: Using a word processing program	29	Computer Fundamentals Self Evaluation ..	47
Exercise 2-5: Selecting – highlighting – changing names	30	Exercise 4-5: – Self Evaluation	47
Exercise 2-6: Type and Delete	31	Exercise 4-6: Course Evaluation.....	47
Exercise 2-7: Selecting (Highlighting).....	31	Logoff.....	48
Exercise 2-8: Create a New Folder.....	32		

Appendix - Using your mouse..... 49
Basic parts..... 49
Holding and moving the mouse 49
Pointing, clicking, and dragging..... 50
 Clicking (single-click) 50
 Double-clicking 51
 Right-clicking 51
 Dragging 51
Using the scroll wheel..... 52
Customizing your mouse 52
Tips for using your mouse safely..... 52

Glossary 53
Basic Procedures 59
 Basic Computer Information 59
 Opening Files..... 60
 Make a New Folder..... 60
 Copying files 61
 Selecting Multiple Files/Folders..... 61
How to Print a Screenshot 62
 Print an Image of a Single Window..... 62
 Print an Image of the Entire Screen..... 62
Self Evaluation 63
